### Description

Black, skin-tight vinyl pica full zip-up crop top with full length sleeves and mock neck collar. Around the mock neck collar there are attached vinyl pica covered and, seemingly, cotton stuffed "spikes" in similar appearance to a spike collar (a.k.a spike necklace). The spikes around the collar are approximately 3 1/4 inch tall and with a

circumference base of about 6 1/2 inch. They resemble upside down cones with the spiked parts pointing outward, the collar has 5 spikes in total. Anterior of both sleeves also have spikes, with 4 spikes on each side, that are approx. 5/12 inch tall and with a 9 3/8 inch base circumference. Spikes in appearance in make appear to be identical to collar spikes in all other manner excluding size difference, latex with some type of fill, possibly cotton, in similar cone-like structure. Bottom crop cut is straight and one side of shirt, to be considered backside, has a full length black zipper in the center from the hem to the top of the collar.
