Description

A. Jacket B. Jumpsuit C. Unitard D. Comm badge Note: Pips are MoPOP props. Four pips total. Sisko gets a row of three, and the innermost pip is a double-decker, so all four are used. Black & grey style Starfleet uniform worn by Captain Benjamin Sisko (Avery Brooks) in seasons five-seven of Star Trek: Deep Space Nine. As the ranking Starfleet officer stationed aboard a Cardassian space station, Captain Sisko defended the Bajoran wormhole from threats of invasion by the Dominion, as well as became the "Emissary of the Prophets", an alien race living within the wormhole. This signature uniform features a pair of black trousers with attached undershirt acting like a pair of suspenders, and a burgundy long sleeved undershirt. The costume is completed with a black zip-up jacket with ribbed grey shoulder area. The jacket features a Deep Space Nine costumers tag reading "Avery Brooks", and shows wear in the stitching around the top of the zipper. This custom made uniform is completed with a screen used Starfleet comm badge, and remains in excellent condition.
